Multicultural Health Program

The CAPS Multicultural Health Program centers the needs of Black, Indigenous, and Students of Color at UNC Chapel Hill.

The Multicultural Health Program provides the following opportunities serving Black, Indigenous, and Students of Color:

- **Brief therapy** [1]
- **Group therapy** [2]
- **Outreach events** [3]
- Liaison relationships between students and CAPS

To access individual or group therapy with the Multicultural Health Program, [call for an initial assessment](https://caps.unc.edu) [4]. To request support for outreach events, visit [CAPS Outreach](https://caps.unc.edu) [5].

**MCHP Staff:**

The program includes 2 mental health clinicians and 2 co-facilitators who are dedicated to meeting the needs of our students who exist within communities of color.

**Erinn Scott, PsyD** [6], Co-facilitator

**Cherish Williams, PhD** [7] Co-facilitator

**Sophia Davis, LCSW** [8]

**Faye Hobgood, LCSW** [9]

**Awards**

CAPS is proud of the award winning Multicultural Health Program!

**UNC Diversity Award for Intergroup Collaboration, 2021** [10]

Campus Health Teamwork Award, 2021
