Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

UNC-CH CAPS psychology internship offers a variety of training experiences such as providing brief individual therapy, group therapy, intake assessment, crisis intervention and triage service, outreach, workshop development and delivery, supervision of a practicum student, and consultation. Interns have the opportunity to work with two long term clients during the year. Interns are exposed to the values of CAPS and that of health service psychology which incorporates multiculturally-sensitive and ethical approaches, as well as knowledge of clinical theory, empirically-validated treatments, and clinical research. Additionally, the CAPS internship program focuses on encouraging self-awareness and interpersonal skills that contribute to effectiveness as a psychologist and allow interns to develop into practitioners who can function autonomously and as part of team. CAPS serves a population of over 29,000 students including undergraduate, graduate, and postdoctoral students. Training takes place at CAPS at UNC-CH. Consistent with the University's non-discrimination policy, CAPS' internship program does not discriminate against individuals on the basis of: race/ethnicity, gender/sexual identification, sexual orientation, religion, age, ability status, or any other factor unrelated to ability to participate in the internship program.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes	Amount: 450
Total Direct Contact Assessment Hours	Yes	Amount: 0

Describe any other required minimum criteria used to screen applicants:

- 1) Graduate program must be APA Accredited
- 2) All formal academic coursework, accepted dissertation proposal, and practicum training requirements should be completed prior to the beginning of internship.
- 3) Applicants are expected to have participated in at least one practicum experience in a counseling center or which in some way indicates interest in areas consistent with the work and goals of our center and/or our training program.
